RE : Principles for Responsible Clinical Trial Data Sharing

Dear Mr. Bergstrom:

I hereby confirm Celgene Corporation's adherence to the EFPIA/PhRMA Principles for Responsible Clinical Data Sharing. We are therefore committed to:

- establishing policies, procedures or guidelines to reflect the commitments of the Principles;
- ensuring that relevant employees have received information and training on the Principles; and
- considering and planning the steps it will take to monitor compliance with the commitments of the Principles on an ongoing basis.

Very truly yours,
